Dear Sir

ASSOCIATIONS INCORPORATION ACT 2015 KSHS GILMORE COLLEGE ALUMNI ASSOCIATION  
INC. Job No. 1712589

I refer to the above Application for the incorporation of an association received by your office on 21 December 2017 and your subsequent letter to Mr David Redpath dated 24th January 2018 concerning the Application.

You stated in your letter the following:-

“As your name suggests an affiliation with Gilmore College, Kwinana Senior High School and Kwinana High School, it will be necessary for the association to obtain a letter of consent or statement of no objection from the College and Schools to the above proposed association and submit it to this office.”

I am writing in my capacity as Principal of Gilmore College, Orelia to express my support for the formation and incorporation of a school Alumni Association.

I have been working closely with several foundation members who are former students of Kwinana Senior High School (one of our former names) with a view to providing a link with the current school. Gilmore College recognises the enormous potential and the positive advocacy of a group made up of over 60 years' worth of proud former students. With much goodwill and a shared vision for this association we wholeheartedly support and endorse their application for constitutional recognition and look forward to a long relationship with the group.

To summarise:

- Kwinana Senior High School and Kwinana High School are the previous or historical names of the school which is now known as Gilmore College. Kwinana High School became Kwinana Senior High School in 1971 and later the name of the school was changed to Gilmore College in 2008, and
- I confirm that the College has no objection and consents to the proposed KSHS Gilmore College Alumni Association.

I trust the above is satisfactory for your purposes.

Yours faithfully
